

## TAKEAWAYS

**Mos Burger**, shop 01, Level 4A, Langham Place, 8 Argyle Street, Mong Kok, tel: 3514 4301

**Mos Burger:** HK\$24

**CL:** I don't get the hype. Period.

Artificial and sugary sweet with no meaty flavour to speak of.

**BC:** Lacklustre flavour, unmemorable.

**KK:** Very lightweight. Could only taste the tomato mayo sauce. It was so small there was no chance of it being messy. Lacking beef flavour.

**Chips Republic Café**, unit 2132, Level 2, Elements, 1 Austin Road West, Kowloon, tel: 2581 1887

**The Cheese Classic:** HK\$59

**CL:** Looked great, but the meat was too peppery and the cheese was not melted. Flavour dominated by Thousand Island sauce. Still, quite good for the price.

**BC:** The patty was very peppery, but was saved by the sauce. Nice to have a side salad.

**KK:** Loved the peppery taste and strong flavour of the sauce, though it drowned out the beef flavour.

**CaliBurger**, shop A, G/F Sun Hey Mansion, 68-76 Hennessy Road, Wan Chai, tel: 2696 9008

**Cheeseburger:** HK\$55

**CL:** Much improved since opening last year, closer to its inspiration, California's In-N-Out Burger. Really enjoyed it.

**BC:** A decent fast food burger. You can taste the char on the beef, but it was very messy.

**KK:** Didn't like the taste of this one at all. Sauce was very watery.

**Big Bite**, G/F Kar Fu Building, 196-202 Java Road, North Point, tel: 6979 9690

**The CBC Crispy Bacon Cheeseburger:** HK\$65

**CL:** Best in its class.

Great chargrilled flavour, melted American cheese and thick super crisp bacon. The jalapeno peppers were a welcome surprise.

**BC:** Patty was perfectly cooked, the bacon had strong flavour. Overall a great burger.

**KK:** Bursting with flavour. Loved the chargrilled taste and Thousand Island-like sauce.
